Register now!

WHAT IS HACK4HEALTH?

- Hack4Health is an interdisciplinary medical hackathon by B.J. Medical College and COEP Technological University.
- 48-hour innovation sprint where brilliant minds from medicine, engineering, and tech unite to solve real-world Healthcare challenges.

OBJECTIVE BEHIND HACK4HEALTH?

- Hack4Health brings together medicine and technology to drive innovation in healthcare through cross-disciplinary collaboration.
- Empowers participants to solve real clinical problems with creative, tech-driven solutions and expert mentorship.
- Join peers and professionals from top institutions and build impactful prototypes.
- Pitch your ideas, win exciting prizes, and help shape a healthier tomorrow—together.

WHEN IS HACK4HEALTH HAPPENING?

- Gear up for innovation from 2nd to 4th October 2025 .

WHAT IS THE PARTICIPATION CRITERIA?

- For Medical students: MBBS students from 1st year to interns (to register individually.)
- For Engineering students: To register in a team of 3 - from the same engineering college across the fields of mechanical, electronics and computer science only.

*Final teams will be formed on the day of the event where medicos will be allotted to the team of engineers.

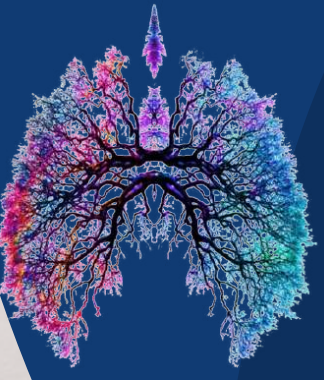

RESPIRARE 2025

WHAT ARE THE STANDOUTS OF THE EVENT?

- Thrilling brainstorming sessions with leading doctors.
- Insights from expert guest lecturers:
Dr. Dasmit Singh Khokar - Advisory Board Member, ICMR and Technical Advisor at Medtech Mitra
Dr. Nikhil Mamoria - Director and CEO, Denovo Bioinnovations Pvt. Ltd. (Best Startup in Healthcare 2024: Global Bio-India Award)
- Teams present their problem with a CAD model, and PoC prototype to an expert Jury as a part of the final pitch.
- Personalized mentorship sessions to sharpen your ideas.
- The winning team gets an opportunity to pitch its idea on the final day of the event.
- A dedicated Recreation Room to recharge, relax, and spark fresh ideas—because innovation thrives on balance.
- Opportunity to build networks and make meaningful social connections.

Byramjee Jeejeebhoy Government Medical College and Sassoon General Hospitals, Pune.

THE CORONER'S CODE

Rules & Regulations:

- **Time limit:** each team will be given 25 minutes to solve the mystery and escape the room
- **Each team will be allotted a slot for their chance and should be present at least 15 minutes prior to it.**
- **Boundaries:** the participants are requested to remain in the area designated for the escape room. Avoid tampering with any switchboards or accessing off limit areas.
- **Outside tools and belongings-** personal belongings such as mobile phones and cameras or any recording devices are not allowed inside the escape room to preserve the experience. Provision for safe confinement of mobile phones will be provided.
- **Escape room mysteries** are meant to be solved using logic, not force—don't break or damage any components.
- **No food and drinks** will be allowed inside the escape room
- **Leave no trace:** After exiting the escape room, do not share the details about the puzzles or the solutions to preserve the integrity and fun of the game.
- **There will be a master guide** inside the escape room with the team to help and solve any queries.
- **Limited amount of slots** are available, thereby register early to avoid missing out.

RESPIRARE 2025

Veritas Vox

The Debate Competition

REGISTRATION FEES: 250/-

PRIZE POOL:

**2000/- with medals and
certificate**

Date:

3/10/2025

Pathology lecture hall

**FOR MORE INFORMATION
CONTACT:**

- 1) Aakash Kumar-8210521012**
- 2) Pranjal Gole - 9075693690**

Scan QR code:

RULES:

1. Participation and Round Structure

Individual entries will be accepted for the elimination round of the debate.

The debate consists of two rounds:

i. Elimination Round: 1 vs 1 (Offline)

ii. Final Round: Top 8 participants (Offline)

Both rounds will take place on the same day.

2. Allotment of Sides

Participants will be randomly allotted their side: FOR or AGAINST the topic.

Side allocation will be disclosed two days before the event.

3. Elimination Round (1 vs 1)

TOPIC: Is hierarchy in medical field hindering learning and collaboration or is it necessary for effective healthcare delivery.

Each participant will have 2 minutes to present their argument on the given topic.

REBUTTAL: Following each participant's initial argument, the opposing participant may

pose questions or counterarguments. Each participant will have 1 minute to respond.

AUDIENCE QUESTIONS: After both participants have presented their arguments, the audience and judges will have the opportunity to ask questions. Each participant will have 30 seconds to respond to audience questions.

4. Final Round

The Top 8 participants will be selected based on their performance in the elimination round.

The final round will consist of two teams (FOR and AGAINST) formed based on rankings

from the judges. The sides will be decided on the spot.

The topic will be given on the spot, and teams will be given sufficient time to prepare.

RULES:

Each participant will have 2 minutes and 30 seconds to present their arguments.

REBUTTAL: After the presentations, each team will have a total of 10 minutes for rebuttals. This will be divided into 5 minutes per team (each team member may contribute to the rebuttal).

5. Final Round Instructions

Detailed instructions regarding the final round will be provided at the venue.

6. General Rules

- Professionalism: Participants must maintain a high standard of professionalism at all times. Foul language or unprofessional conduct will not be tolerated.**
- Adherence to Time Limits: All participants must strictly adhere to the allocated time for each segment. Judges will enforce time limits.**
- Judge's Decision: The decision of the judges is final and binding.**

7. Additional Guidelines

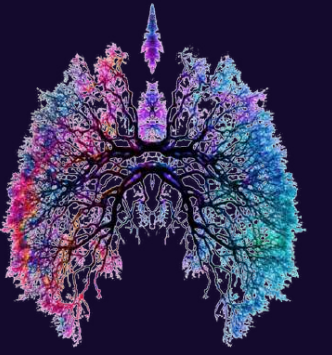

Participants are encouraged to stay well-prepared and informed on the topic in advance.

The focus of the debate should be on constructive discourse, logical reasoning, and respectful interaction

8. Prize pool is subject to change.

Content guidelines:

The content should adhere to professional and ethical standards, avoiding any form of disrespectful language or inappropriate imagery.

All scenarios, examples, or portrayals in the video must be realistic, fact-based, and respectful of medical ethics.

Content should be suitable for a medical academic setting, and sensitive topics should be approached with caution and respect for the audience.

Submission process:

Participants must submit their video by uploading them to the designated format and to be shared with the organising committee.

Evaluation criteria:

- **Relevance to the theme:** How well the video addresses the AETCOM principles (Attitude, ethics, communication)
- **Creativity and innovation:** Originality of content, approach and presentation.
- **Clarity of message:** Effectiveness in conveying the intended message to the audience.
- **Engagement:** How well the video holds the viewer's attention and communicates the core message. The prize pool is subject to change.

Judging panel:

The video submissions will be reviewed by a panel of faculty members on the day of main conference.

The judges decision will be final and binding.

Winning video will be showcased during the final conference.

THE ORGANISING COMMITTEE RESERVES THE RIGHT TO
DISQUALIFY VIDEOS THAT VIOLATE RULES OF ETHICAL STANDARDS
